Hi Wayne,

I wanted to follow up with you to find out the status of your proposed large mine permit. Our last review was issued on June 4, 2015 (see attached). Nielson was proposing to expand the 5-acre small mine permit to a 32-acre large mine permit. We have not received your response back addressing our remaining 20 comments. Do you still plan to pursue the large mine permit?

Let me know and thanks.

Regards,

April
